

## ROLLER SERVICE – YOUR DATA FOR INTITAL ADMISSION

Company:				Contact person:			
Adress:				Country:			
ZIP Code, City:				E-Mail:			
Tax ID number:				Phone:			
Industry sector:	Paper	Film	Fleece	Textile	Tissue	Steel	Other:

## EXISTING SITUATION

New roller:	Yes	No	Technical drawing:				Available	Not available
Roller material:	Steel	Aluminium	CFRP					
Roller coating:	Rubber	PUR	Thermal	Chrome	Composite Coating	Layer thickness:	mm	
Roller name:				Roller number:				
Total length:	mm			Roller weight:	kg			
Roller diameter:	mm			Operating speed:	to		m/min	
Roller body length:	mm			Balance speed:	m/min			
Concentricity tolerance 0,02 mm/m roller length:	Yes	No, the tolerance is:						mm/m
Cylindrical shape tolerance 0,02 mm/m roller length:	Yes	No, the tolerance is:						mm/m
Diameter tolerance specifications:	No	Yes, the tolerance is:						mm
Surface:	Notched	Spiraled	Concave	Convex	Cylindrical	Other:		
Particularities of the roller's condition:								

## APPLICATION AREAS UND USE

Roller function and use:	Roller position:
Substrate:	Substrate thickness:
Machine manufacturer:	Environmental conditions:
Temperature: °C	Scraped: Yes No
How do you clean?	

## ROLLER COATING AND SURFACE

Coating:      PROTEK® Composite      PROTEK® Non-stick      PROTEK® Ceramic      PROTEK® Hard metal      Other:

Requirements for surface properties:

Are you interested in contact for consultation?      Yes      No

## JOURNALS AND BEARING

Renew journals/bearings through replacement or spraying:      Yes      No

Name of bearing:      Drawings/pictures:      Available      Not available

Mounted roller settings:      Yes      No      Renewal of rolling bearings:      Yes      Nein      Crack testing of journals:      Yes      No

Further assembly or service desired:      No      Yes, the following services are desired:

## SCHEDULING UND LOGISTICS

Due date:      Expansion date:

Preferred date of completion:

Collection requested:      Yes      Box dimensions: h=      w=      l=      mm      Weight:      kg      No

## ADDITIONAL INFORMATION

## CHECKLIST: IS THE INFORMATION PROVIDED COMPLETE?

- Filled the request form ✓
- Added technical drawings of roller ✓
- Added drawings/pictures of journal and storage ✓
- Specified termination of the roller service ✓
- Attached your processing instructions ✓
